In the Amendment Filed March 9, 2006 Responding to February 23, 2006 Office Action in U.S. Patent Application No. 10/815,282, an error was discovered in the facsimile transmission certificate. The number of pages transmitted was misidentified as 21 in number, when the actual number of pages transmitted was 18. Attached hereto is an Auto-Reply Facsimile Transmission indicating that 18 pages were received with the transmission of the above-referenced amendment.

Respectfully submitted,
